SLOW DOWN 2015!!!

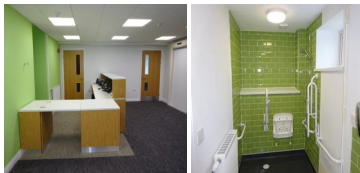

Busy, Busy, Busy...

As the busy months of 2015 continue we are looking forward to the upcoming Summer months...

After months of hard work we are delighted with the end result of our recent [Church Hall project](#). The St. David's Church is one of the historical landmarks situated in our local town of Merthyr Tydfil. The Church Hall was in need of refurbishment and the project was funded by the *National Lottery Heritage Fund*. The Hall is now home to Merthyr Tydfil's leading dance school — The Fantasy Feet Dance Academy who are equally as delighted with their

new home.

This month we have also completed a three storey commercial office renovation project. The project included refurbishment to a number of existing offices and the creation of new bespoke interview rooms. We also installed a new fitted kitchen, staff toilet areas and a DDA regulated toilet and shower facility.

Happy April from all at Kelray!

The power of social media..

We received over 1,200 views on a recent project shown on our company Facebook page. We were asked to prepare for the installation of a [Sauna and Steam Room](#) at a leisure centre in Caerphilly which included removing existing facilities, installing a new drainage system, tiling to walls and floors and decoration throughout. We are delighted that our work is

recognised by such a wide audience.
