

### **Kelray prepare for the Christmas factory shutdown period...**

As we approach the end of the year we begin to prepare for the Christmas factory shutdown period. Like many other businesses, Christmas is our busiest time of year and our staff are preparing to work over the festive period. We have a number of projects lined up, such as complete refurbishment to male locker rooms including hygienic floor coatings and full decoration throughout and the supply and fit of new stainless steel drainage in a food manufacturer.

2014 has been a busy year for Kelray and we have completed an array of Industrial and Commercial projects from large scale factory refurbishments to smaller domestic works. We are grateful for the continued support from existing customers and are eager to welcome new customers into

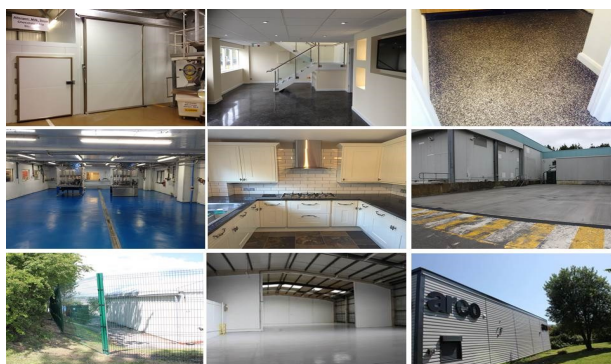

our company.

As well as completing projects, 2014 has been filled with charity events. In May, our Managing Director completed a sponsored skydive which raised an impressive £1,400 for a local cancer charity and we supported BBC Children in by hosting a fancy dress day and a number of our employees completed the 'Movember' challenge.

**We would like to thank all of our customers, suppliers and sub contractors for your business, help and support this year and we look forward to seeing you in the New Year!**

**Wishing you a Merry Christmas and a prosperous New Year!**

### **Company News...**

#### **Kelray celebrates 10 year anniversary**

We are proudly celebrating 10 years trading as a limited company. As a company our we have almost doubled in staff over the past 10 years and we look forward to welcoming the next 10 years!

Let the celebrations commence...
