## MARCH MADNESS!!!

*The January blues have passed and lighter days are coming...*

**It has been a busy start to the year so far for us and March appears to be heading the same way with the continuation, completion and start of new projects.**

It is that time of year again when our Accreditations are renewed and we receive our certificates for 2015. We have proudly received our *Constructionline, CHAS, FeRFA, Safecontractor* and *Four Construction renewals* for this year.

We enjoy working in our local community and we have recently been awarded as the main contractor of the refurbishment and renovation of the **Merthyr Tydfil Housing Association** offices in the town centre. The work includes internal refurbishment to a number of

offices, toilets, staff kitchen area, reception area and stairs.

We have recently completed a number of domestic kitchen and flooring projects (as seen below).

We hope you have a great month, from **Team Kelray!!!**

## Company News...

### **Kelray participated in Give & Gain Day...**

As members of the Four Construction Training Group we offered our services in a Church Hall refurbishment project in Trealaw, Rhondda. Work included carrying out general maintenance and concreting works.

### **Kelray celebrate 10 year anniversary...**

We celebrated our 10 year anniversary for trading as a limited company by holding a 'Kelray Fun Friday' event. The event included employee awards, a quiz and a meal. The night was enjoyed by all and we would like to thank all of our team for putting in such a great effort!
